Guest Speakers

None

Principal's Report

I want to begin by thanking our PTO for a wonderful Staff Appreciation week. I also want to thank the PTO for all the help in organizing the food truck and Big 3 Raffle for our first Open House in 3 years.

We have three upcoming days where IBL will be dismissing at 1:45 pm; Friday, May 20, Friday, May 27, and Tuesday, May 31. These are the three early dismissal days we rescheduled due to State testing.

Our 6th graders will be participating in a Greek Fest event on Friday, May 27. The 6th grade teams were looking for some additional help for the day's events. The event will take place in classrooms and not on the field as in previous years.

Monday, May 30 is Memorial Day and there is no school for students or staff.

Tuesday, May 31 is when we take a snapshot of the 8th graders to see who is eligible for the promotion ceremony and end of year activities. Grades will be closed in the morning and reopened later in the day. All grades close on Friday, June 3.

Thursday, June 2 will see our promotion eligible 8th grade students receiving their gowns and tickets. Friday, June 3 will be the annual 8th grade Dinner Dance.

The week of June 6 has all early dismissal days with our promotion activity being held on June 7 at Terra Nova. Students need to be at Terra Nova by no later than 3:30 pm to get ready to line up and start at 4 pm.

Grade level activities are the following day (Beach Day for 6th grade, Fun Day for 7th grade, Great America for 8th grade). Our 8th graders will be returning from Great America at around 5 pm so please have arrangements made to pick them up from school. Staff will be dismissed as soon as they arrive and there will be minimal supervision for students left behind.

The last day of school is June 9. 8th graders will release at 10:30 after watching their end of IBL video. All other grades dismiss at 1:45 pm. Report cards also go home on the last day of school.

Again, I want to thank everyone involved with the PTO for all the great work you have done supporting our teachers and enriching the lives of our students. Thank you to all of our outgoing families and I wish you all the best as you and your student transition to high school.

Parent Council Representative

Everything is set for the Elna Flynn banquet.

The book fair brought in over \$5,000.00, which meant \$1,200.00 in cash for the library.

There have been some quotes for the field. There needs to be a new sprinkler controller before anything else can be done to improve the fields. There is hope that the field is fixed before school and soccer begins in the fall.

President's Report:

It was a successful open house. We sold a lot of spirit wear and a lot of Big 3 tickets. Janell has been organizing all of the tickets.

Julie Cotter will take over as volunteer coordinator for the 2022-2023 school year.

Fundraising

Kiyomi and Leanna attended a fireworks meeting and will attend a meeting on 5/29/22 at the police station. They need to figure out the storage container and set-up.

.

Volunteer Coordinator

Nothing new to report.

Treasurer's Report

\$1,200.00 to the library. Brandice will go through all of the money collected from the open house. She will send the checks of \$1,000.00 each to PEF and Pacifica School Volunteers. There was a discussion about how many people would need reimbursements from eighth grade activities.

Vice- President's Report

Jamie will order more spirit wear before the end of the school year.

Communications

Nothing new to report.

Teacher Representative

I also wanted to add, on behalf of the teachers, a huge thank you for all the wonderful teacher appreciation week goodies. It was amazing to come to school each day and be honored in this way. We all loved the treats and positive messages. Thank you so much for all the support and love.
